Section 17. Governing law and disputes

17.1.

The agreement between the User and the Company relating to services provided on Allegro by the Company under the Allegro Terms & Conditions is governed by Polish law, with the exclusion of the United Nations Convention on Contracts for the International Sale of Goods of April 11, 1980 (Journal of Laws 1997 No. 45, item 286).

For Users who are consumers, the above choice of law does not exclude the protection afforded to them by the mandatory provisions of law of the country in which they have their habitual residence.

Any disputes between Allegro and a User who is not a consumer, concerning Allegro, including those connected with services provided on Allegro by the Company, will be resolved on a non-exclusive basis by Polish common courts of proper jurisdiction for the registered office of Allegro.

A User who is a consumer has the option to use the out-of-court procedure for settling complaints and pursuing claims before the Permanent Consumer Arbitration Court affiliated with the Provincial Inspector of the Trade Inspection in Poznań. Information on how to access the aforementioned dispute resolution procedure can be found at http://www.uokik.gov.pl under the "Konsumenci" ~~"Rozstrzyganie sporów konsumenckich"~~ ("Consumers") ~~("Consumer dispute resolution")~~ tab.
